Imperial College London

Travelling from White City station: Turn right out of the station and keep walking along Wood Lane – it is roughly a 2-3 minute walk to Stadium House. Keep walking up the same side of the road, crossing Depot Road at the traffic lights.

The next building you come across will be Stadium House, which has three main doors (see below) – go past the Invention Rooms and please enter through Door A.

Travelling from Wood Lane station: Turn right out of the station and keep walking along this road (Wood Lane, A129) in the same direction (north). It takes approximately 5 minutes to walk to Stadium House – you will pass **White City** tube station along the way.

Imperial College London

Travelling from Shepherd's Bush station:

Take the Central Line from **Shepherd's Bush** to **White City**. Turn right when you come out of the station and keep walking along Wood Lane until you reach Stadium House (on the right).

Walking (approx. 20 mins):

Exit Shepherd's Bush at Uxbridge Road and turn right. Keep walking until you reach Wood Lane.

Then turn Right onto Wood Lane and continue walking, keeping right. You will go past both **Wood Lane** and **White City** Underground stations along the way.

Finding the Imperial Research Hub at Stadium House

The main entrance of the **Imperial Research Hub** is the third door down of the Stadium House building after you cross Depot Road (**Door A**).

Press the top button that says "**Imperial College London – AGE CHARIOT:PRO Sub-study 2**" on the left of the door to ask the receptionist to unlock the door. Pull the door when you hear the buzzer. When inside the building, turn left for the reception.
